Rights of Non-Custodial Parents: This parish Catechetical Program abides by the provisions of the Buckley amendment with respect to the rights of non-custodial parents. In the absence of a court order to the contrary, we will provide the non-custodial parent with unofficial copies of records. If there is a court order specifying that there is to be no information given, it is the responsibility of the custodial parent to provide the catechetical leader with an office copy of the court order.

Note: If there is presently a restraining order against your spouse, we will need a copy of that part only that shows the order.
